

20th Annual Scientific Meetings
Sleep on it: healthy Function of Sleep
Adelaide Convention Centre
2-4 October 2008

TRAVEL GRANTS
CLOSING DATE: 30 June 2008

The Australasian Sleep Association and the Australasian Sleep Technologists Association Executives have agreed that travel subsidies should be available to assist students or researchers on low incomes to present their work at the Annual Scientific Meetings of the Association.

The eligibility criteria for applicants are as follows:

- * The applicant must be a member or student member of the Australasian Sleep Association or Australasian Sleep Technologists Association. Students should be postgraduate or honours research students, but not undergraduate students.
- * The applicant should be the first author on an abstract and present the work at the meeting.
- * The applicant should be on a salary of no more than NHMRC PSP1 equivalent (\$Aus 47,250.00).
- * There will be no specific age limit although the grants are intended primarily for young researchers.
- * The availability of other travel funding, apart from departmental funding, should be disclosed.
- * The applicant's eligibility should be verified by the Head of Department.

Applicants will be assessed by the ASA and ASTA executive. The amount of the grant will be free Student Conference Registration + 50% of the lowest priced fare from the individual's city of residence to the Gold Coast. If the travel fund is exceeded by these criteria, there may be a pro-rata reduction of the amount given to each individual student.

Please complete the application form and return it to:
